Dear colleagues and friends,

On behalf of the Presidency, the Scientific and Organizational Committee of MAOT, I have a great pleasure to invite you to the 4th Congress of the Macedonian Association of Orthopaedics and Traumatology, MAOT with international participation, which will be held from April 26 - 29th, 2018 in Ohrid.

I am convinced that the scientific program and the opportunity to hear excellent lectures, scientific debates and interactive discussions directly from the best professionals, will represent a challenge and opportunity for you to expand your knowledge, develop your skills and techniques in the field of orthopaedics and traumatology, as well as to establish new professional contacts.

Main topics at the congress cover all areas of orthopaedics and traumatology and provide an opportunity to increase your knowledge of certain diseases and new possibilities of treatment.

The presence of participants from the Balkan region as well as the presence of invited international recognized and distinguished speakers will enable exchange of experience, discussion on certain topics in the field of orthopaedics and traumatology.

I hope that with your presence and active participation you will contribute to a successful realization of the 4th Congress of the Macedonian Association of Orthopaedics and Traumatology.

I look forward to your presence and the opportunity to welcome you in Ohrid.
